**Our practice is committed to
providing The Safest Dental Visit™**

Ask us how we follow best
practices to ensure your safety.

DENTAL INFECTION CONTROL

AWARENESS MONTH

SPREAD THE WORD, PREVENT INFECTIONS

Join the conversation #DICAM21

CLEAN HANDS

Ask us how we are washing our hands, why we wear gloves and how these practices keep you safe.

STERILE INSTRUMENTS

Ask us how we sterilize our instruments to keep you safe.

SAFE WATER

Ask us about our water treatment system and how we maintain it to keep you safe.

PATIENT EYE PROTECTION

Ask us about how we protect your eyes to keep you safe.

This resource was prepared by clinicians for the benefit of the Organization for Safety, Asepsis and Prevention (OSAP), a nonprofit, independent organization providing information and education on infection control and prevention and patient and provider safety to dental care settings worldwide. The information provided is for educational purposes only. It is not intended nor implied to be a substitute for the users' own exercise of their professional judgment. OSAP, and the clinicians who assisted it in preparing this material, expressly disclaims responsibility, and shall have no liability, for any damages, loss, injury, or liability whatsoever suffered as a result of your reliance on the information contained in this resource.
