

Infection Prevention & Control in School Sealant Programs During COVID-19 Learning Tool

CONTINUING EDUCATION

OSAP is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the **Commission for Continuing Education Provider Recognition** at ADA.org/CERP.

Please email the OSAP office at office@osap.org or call +1 (410) 571-0003 if you wish to be in contact with the course author/creator(s) with any questions or for clarification of course concepts or for technical assistance in completing the online test.

All participants assume individual responsibility for providing evidence of contact hours of continuing education to the appropriate authorities and for the maintenance of their individual records.

Recognition Term: 11/01/2020 - 06/30/2025

California Dental Board Registered Provider:

Provider ID #: RP4067

Valid Until: 02/28/2023

New York State Education Department Approved Provider:

Provider ID #: IC061

Valid Until: 02/28/2024

CE CREDITS: 1

EDUCATIONAL METHOD: Self-instructional (self-study)

LOCATION: Online

PUBLICATION DATE: February 2021

EXPIRATION DATE: February 28, 2024

DISCLOSURE:

All participating faculty are expected to disclose to the audience any significant financial interest or other relationship with:

1. the manufacturer of any commercial products and/or provider of commercial services discussed in an educational presentation and
2. any commercial supporters of the activity.

CE DISCLAIMER:

Authors of CE activities are required to present a balanced view of therapeutic options, use generic names of products whenever possible, use images that have not been falsified or misrepresent the outcome of treatment, and refrain from marketing or promoting any products or commercial services. Authors are required to include peer-reviewed content supported by generally accepted scientific principles or methods that can be substantiated or supported with peer-reviewed scientific literature that is relevant and current. Authors must support clinical recommendations with references from the scientific literature, with a sound scientific basis, whenever possible. Authors of CE activities are required to disclose to participants any financial, commercial, or promotional interest in a product or company that may influence their participation.

Authors and Contributors:

Kathy Eklund, RDH, MHP
Director of Occupational Health and Safety, Forsyth Research Subject and Patient Safety Advocate
The Forsyth Institute
Disclosures: No relevant financial relationships to disclose

Jill Moore, EdD, MHA, BSDH, RDH
School Oral Health Consultant
Michigan Department of Health and Human Services
Disclosures: No relevant financial relationships to disclose

Chris H. Miller, PhD
Professor Emeritus, Microbiology
Indiana University School of Dentistry
Disclosures: No relevant financial relationships to disclose
