RECOGNITION STATEMENT

ADA CER.P[®] | Continuing Education
Recognition Program

OSAP is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the **Commission for Continuing Education Provider Recognition** at ADA.org/CERP.

Please email the OSAP office at office@osap.org or call +1 (410) 571-0003 if you wish to be in contact with the course author/creator(s) with any questions or for clarification of course concepts or for technical assistance in completing the online test.

All participants assume individual responsibility for providing evidence of contact hours of continuing education to the appropriate authorities and for the maintenance of their individual records.

[See more details about OSAP's CE Program & Provider Recognition.](#)

DISCLOSURE:

All participating faculty are expected to disclose to the audience any significant financial interest or other relationship with:

1. the manufacturer of any commercial products and/or provider of commercial services discussed in an educational presentation and
2. any commercial supporters of the activity.

CE DISCLAIMER:

The 2021 OSAP Annual Conference is planned and presented by the 2021 OSAP Annual Conference Planning Committee to provide participants with a relevant and rewarding continuing educational experience. However, neither the content of a course nor the use of specific products in lectures or workshops should be construed as indicating endorsement or approval by OSAP of the views presented or the products used.

Speakers and authors of CE activities are required to present a balanced view of therapeutic options, use generic names of products whenever possible, use images that have not been falsified or misrepresent the outcome of treatment, and refrain from marketing or promoting any products or commercial services. Speakers and authors are required to include peer-reviewed content supported by generally accepted scientific principles or methods that can be substantiated or supported with peer-reviewed scientific literature that is relevant and current. Speakers and authors must support clinical recommendations with references from the scientific literature, with a sound scientific basis, whenever possible. Speakers and authors of CE activities are required to disclose to participants any financial, commercial, or promotional interest in a product or company that may influence their presentations. However, OSAP shall not be liable for a speaker's failure to disclose such interest.

SPEAKERS:

Matthew Arduino, MS, DrPH, FSHEA, M(ASCP)

Dr. Arduino is a Public Health Microbiologist and Infection Preventionist. He was a bench microbiologist in the Westchester County Department of Laboratories and Research from 1980-82. He served as bench microbiologist and weekend supervisor at Westchester County Medical Center from 1982-1984 before returning to graduate school for a doctorate in Public Health from the University of North Carolina. He served as a research microbiologist from 1988-1994, lead research microbiologist 1994-2006, Deputy Branch Chief 2006-2010, and Branch Chief 2010-2014 of the Clinical and Environmental Microbiology Branch, Division of Healthcare Quality Promotion, CDC. Dr. Arduino currently serves as Senior Adviser for Environmental Hygiene and Infection Prevention, in the Office of the Director, in the Division of Healthcare Quality Promotion. He has authored and coauthored 148 articles indexed in PubMed. Dr. Arduino is a Fellow in the Society for Healthcare Epidemiology of America.

Disclosures: No relevant financial relationships to disclose

John Comisi, DDS

Dr. Comisi is an Associate Professor of Restorative Dentistry, Department of Oral Rehabilitation, Medical University of South Carolina, James B. Edwards College of Dental Medicine. He is also Course Director for the college's Operative II Course on adhesive and esthetic dentistry, Chair of the Oral Rehabilitation Department's Dental Materials Committee, the Infection Control Officer for the college, and currently the Vice-President of the South Carolina Dental Association.

Disclosures: No relevant financial relationships to disclose
