

## CDC Division of Oral Health Resources

This session will provide a review of the resources available through the CDC Division of Oral Health. The session will include a discussion of the CDC and OSAP partnership for producing the Foundations: Building the Safest Dental Visit training.

### LEARNING OBJECTIVES:

1. Identify the role of CDC in infection prevention and control (IPC)
2. Describe the variety of CDC resources available, including resources available from CDC to help improve the health of patients

## CONTINUING EDUCATION

**CE CREDITS:** 1

**EDUCATIONAL METHOD:** Lecture, Recorded, Self-instructional (self-study)

**LOCATION:** Online

**ORIGINAL RELEASE DATE:** June 2022

**EXPIRATION DATE:** June 30, 2025

### RECOGNITION STATEMENT

**ADA C.E.R.P.**<sup>®</sup> | Continuing Education  
Recognition Program

OSAP is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the **Commission for Continuing Education Provider Recognition** at [ADA.org/CERP](http://ADA.org/CERP).

Please email the OSAP office at [office@osap.org](mailto:office@osap.org) or call +1 (410) 571-0003 if you wish to be in contact with the course author/creator(s) with any questions or for clarification of course concepts or for technical assistance in completing the online test.

All participants assume individual responsibility for providing evidence of contact hours of continuing education to the appropriate authorities and for the maintenance of their individual records.

[See more details about OSAP's CE Program & Provider Recognition.](#)

### DISCLOSURE:

All participating faculty are expected to disclose to the audience any significant financial interest or other relationship with:

1. the manufacturer of any commercial products and/or provider of commercial services discussed in an educational presentation and
2. any commercial supporters of the activity.

**CE DISCLAIMER:**

The 2022 OSAP Annual Conference is planned and presented by the 2022 OSAP Annual Conference Planning Committee to provide participants with a relevant and rewarding continuing educational experience. However, neither the content of a course nor the use of specific products in lectures or workshops should be construed as indicating endorsement or approval by OSAP of the views presented or the products used.

Speakers and authors of CE activities are required to present a balanced view of therapeutic options, use generic names of products whenever possible, use images that have not been falsified or misrepresent the outcome of treatment, and refrain from marketing or promoting any products or commercial services. Speakers and authors are required to include peer-reviewed content supported by generally accepted scientific principles or methods that can be substantiated or supported with peer-reviewed scientific literature that is relevant and current. Speakers and authors must support clinical recommendations with references from the scientific literature, with a sound scientific basis, whenever possible. Speakers and authors of CE activities are required to disclose to participants any financial, commercial, or promotional interest in a product or company that may influence their presentations. However, OSAP shall not be liable for a speaker's failure to disclose such interest.

**SPEAKERS:**

**Gregory Holder, MPH**  
**POLICY ANALYST**  
**CDC - Division of Oral Health**

Mr. Holder serves as a Policy Analyst at the Center for Disease Control and Prevention (CDC) National Center for Chronic Disease Prevention and Health Promotion in the Division of Oral Health, where he analyzes state and local legislation and other health policy to determine its impact on oral health, the use of infection prevention guidelines, and responds to public inquiries. Mr. Holder is recognized as an insightful, engaging public speaker, and serves as a docent at the David J. Sencer CDC Museum, volunteering his time to act as an ambassador for CDC to students, public health professionals, and the public by providing tours to guests on the history and current activities of the CDC (well, when pandemics allow it, anyway). He earned a Master of Public Health in Analysis and Management with a focus in infectious disease epidemiology from East Carolina University in Greenville, NC, and a Bachelor of Political Science focusing on constitutional law from Piedmont College in Demorest, GA.

**Disclosures:** No relevant financial relationships to disclose
