

## Dental Radiation Safety in 2022: A Comprehensive Update

This lecture will provide the attendee with the most updated information about radiation safety in the dental office using the latest Commission of Radiation Protection Report as a road map. Dosimetry, monitoring, periodicity of x-ray exams, handheld x-ray devices, and protection for children are some of the topics that will be discussed in detail.

### LEARNING OBJECTIVES:

1. Recall the most up-to-date recommendations for dosimetry monitoring
2. List the different options to operate a radiation “safe” dental office
3. Review the importance of radiation safety in the practice of dentistry with children

### CONTINUING EDUCATION

**CE CREDITS:** 1

**EDUCATIONAL METHOD:** Lecture, Recorded, Self-instructional (self-study)

**LOCATION:** Online

**ORIGINAL RELEASE DATE:** June 2022

**EXPIRATION DATE:** June 30, 2025

### RECOGNITION STATEMENT

**ADA CERP**® | Continuing Education  
Recognition Program

OSAP is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the **Commission for Continuing Education Provider Recognition** at [ADA.org/CERP](http://ADA.org/CERP).

Please email the OSAP office at [office@osap.org](mailto:office@osap.org) or call +1 (410) 571-0003 if you wish to be in contact with the course author/creator(s) with any questions or for clarification of course concepts or for technical assistance in completing the online test.

All participants assume individual responsibility for providing evidence of contact hours of continuing education to the appropriate authorities and for the maintenance of their individual records.

### DISCLOSURE:

All participating faculty are expected to disclose to the audience any significant financial interest or other relationship with:

1. the manufacturer of any commercial products and/or provider of commercial services discussed in an educational presentation and

2. any commercial supporters of the activity.

**CE DISCLAIMER:**

The 2022 OSAP Annual Conference is planned and presented by the 2022 OSAP Annual Conference Planning Committee to provide participants with a relevant and rewarding continuing educational experience. However, neither the content of a course nor the use of specific products in lectures or workshops should be construed as indicating endorsement or approval by OSAP of the views presented or the products used.

Speakers and authors of CE activities are required to present a balanced view of therapeutic options, use generic names of products whenever possible, use images that have not been falsified or misrepresent the outcome of treatment, and refrain from marketing or promoting any products or commercial services. Speakers and authors are required to include peer-reviewed content supported by generally accepted scientific principles or methods that can be substantiated or supported with peer-reviewed scientific literature that is relevant and current. Speakers and authors must support clinical recommendations with references from the scientific literature, with a sound scientific basis, whenever possible. Speakers and authors of CE activities are required to disclose to participants any financial, commercial, or promotional interest in a product or company that may influence their presentations. However, OSAP shall not be liable for a speaker's failure to disclose such interest.

**SPEAKERS:**

**Juan Yepes, DDS, MD, MPH, MS, DrPH, FDS RCDS(Ed)**  
**PROFESSOR**  
**Indiana University School of Dentistry**

Dr. Yepes is a full professor in the Department of Pediatric Dentistry, Indiana University School of Dentistry and Riley Hospital for Children. Dr. Yepes is a radiologist, dental public health and oral medicine specialist besides a pediatric dentist with a strong interest in radiation safety and protection.

**Disclosures:** No relevant financial relationships to disclose
