

## Eye Safety in Dentistry Updates

### CONTINUING EDUCATION

**CE CREDITS:** 1

**EDUCATIONAL METHOD:** Lecture, Recorded, Self-instructional (self-study)

**LOCATION:** Online

**ORIGINAL RELEASE DATE:** June 2021

**EXPIRATION DATE:** June 30, 2024

### RECOGNITION STATEMENT

OSAP is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the **Commission for Continuing Education Provider Recognition** at [ADA.org/CERP](https://ada.org/CERP).

Please email the OSAP office at [office@osap.org](mailto:office@osap.org) or call +1 (410) 571-0003 if you wish to be in contact with the course author/creator(s) with any questions or for clarification of course concepts or for technical assistance in completing the online test.

All participants assume individual responsibility for providing evidence of contact hours of continuing education to the appropriate authorities and for the maintenance of their individual records.

[See more details about OSAP's CE Program & Provider Recognition.](#)

### DISCLOSURE:

All participating faculty are expected to disclose to the audience any significant financial interest or other relationship with:

1. the manufacturer of any commercial products and/or provider of commercial services discussed in an educational presentation and
2. any commercial supporters of the activity.

### CE DISCLAIMER:

The 2021 OSAP Annual Conference is planned and presented by the 2021 OSAP Annual Conference Planning Committee to provide participants with a relevant and rewarding continuing educational experience. However, neither the content of a course nor the use of specific products in lectures or workshops should be construed as indicating endorsement or approval by OSAP of the views presented or the products used.

Speakers and authors of CE activities are required to present a balanced view of therapeutic options, use generic names of products whenever possible, use images that have not been falsified or misrepresent the outcome of treatment, and refrain from marketing or promoting any products or commercial services. Speakers and authors are required to include peer-reviewed content supported by generally accepted scientific principles or methods that can be substantiated or supported with peer-reviewed scientific literature that is relevant and current. Speakers and authors must support clinical recommendations with references from the scientific literature, with a sound scientific basis, whenever possible. Speakers and authors of CE activities are required to disclose to participants any financial, commercial, or promotional interest in a product or company that may influence their presentations. However, OSAP shall not be liable for a speaker's failure to disclose such interest.

**SPEAKERS:**

**Peter Arsenault, DMD, MS, MBA**

Dr. Arsenault is a graduate of The University of Massachusetts, where he received his Bachelor of Science and Master of Science degrees in plastics engineering, 1986 and 1989 respectively, along with a minor in chemistry. He earned his Doctor of Dental Medicine from Tufts University School of Dental Medicine in 1994 and holds an Executive Certificate in Management and Leadership from the Sloan School of Management at MIT and his MBA from LSU. Upon graduation, Dr. Arsenault completed a General Practice Residency at Tufts New England Medical Center and then went on to private practice where he owns and operates his practice. He is a member of the American Dental Association, the Massachusetts Dental Society, the Society of Plastics Engineers, and the Society of Materials Engineers. He holds a fellowship in the American Dental Education Association and is also a Fellow of the American College of Dentists. Dr. Arsenault has shown great interest in product development and intellectual property law. He holds several United States patents and patent-pending products relating to the dental field. Since 2005, Dr. Arsenault has taught at Tufts University School of Dental Medicine and is Division Head of Operative Dentistry in the Department of Comprehensive Care where he is a professor. Dr. Arsenault is credited with numerous publications and presentations to his name.

**Disclosures:** No relevant financial relationships to disclose
