LOCATION: Online

ORIGINAL RELEASE DATE: June 2021

EXPIRATION DATE: June 30, 2024

RECOGNITION STATEMENT

ADA C.E.R.P.® | Continuing Education
Recognition Program

OSAP is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the **Commission for Continuing Education Provider Recognition** at [ADA.org/CERP](https://ada.org/CERP).

Please email the OSAP office at office@osap.org or call +1 (410) 571-0003 if you wish to be in contact with the course author/creator(s) with any questions or for clarification of course concepts or for technical assistance in completing the online test.

All participants assume individual responsibility for providing evidence of contact hours of continuing education to the appropriate authorities and for the maintenance of their individual records.

[See more details about OSAP's CE Program & Provider Recognition.](#)

DISCLOSURE:

All participating faculty are expected to disclose to the audience any significant financial interest or other relationship with:

1. the manufacturer of any commercial products and/or provider of commercial services discussed in an educational presentation and
2. any commercial supporters of the activity.

CE DISCLAIMER:

The 2021 OSAP Annual Conference is planned and presented by the 2021 OSAP Annual Conference Planning Committee to provide participants with a relevant and rewarding continuing educational experience. However, neither the content of a course nor the use of specific products in lectures or workshops should be construed as indicating endorsement or approval by OSAP of the views presented or the products used.

Speakers and authors of CE activities are required to present a balanced view of therapeutic options, use generic names of products whenever possible, use images that have not been falsified or misrepresent the outcome of treatment, and refrain from marketing or promoting any products or commercial services. Speakers and authors are required to include peer-reviewed content supported by generally accepted scientific principles or methods that can be substantiated or supported with peer-reviewed scientific literature that is relevant and current. Speakers and authors must support clinical recommendations with references from the scientific literature, with a sound scientific basis, whenever possible. Speakers and authors of CE activities are required to disclose to participants any financial, commercial, or promotional interest in a product or company that may influence their presentations. However, OSAP shall not be liable for a speaker's failure to disclose such interest.

SPEAKERS:

Megan Casey, RN, BSN, MPH

LCDR Casey coordinates research related to the healthcare and social assistance industry sector at the Center for Disease Control and Prevention's (CDC) National Institute for Occupational Safety and Health (NIOSH). She is currently a Nurse Epidemiologist and Team Lead at NIOSH's National Personal Protective Technology Laboratory. She also currently serves as a Lieutenant Commander in the U.S. Public Health Service where she has deployed for Hurricanes Irma/Maria, Zika virus, unaccompanied minors at the U.S. border, and COVID-19. LCDR Casey came to NIOSH as a CDC Epidemic Intelligence Service Officer in 2014 conducting workplace health hazard evaluations and performing occupational health surveillance. Also, during this time, she deployed to Sierra Leone to evaluate and initiate Ebola infection control practices among healthcare workers. Prior to joining NIOSH, she was a Nurse Epidemiologist with the Allegheny County Health Department in Pittsburgh coordinating infectious disease surveillance and outbreak response.

Disclosures: No relevant financial relationships to disclose

Maryann D'Alessandro, PhD

Dr. D'Alessandro has served as the Director of the National Institute for Occupational Safety and Health (NIOSH) National Personal Protective Technology Laboratory (NPPTL) since March 2012. She also served as the Associate Director for Science for NPPTL from 2003-2012. Maryann provides leadership to the NIOSH Personal Protective Technology (PPT) Core and Specialty Program and the Public Safety Program, where she serves as Manager, leading the effort to align PPT initiatives with user needs across all workplace industry sectors.

Disclosures: No relevant financial relationships to disclose

Kathy Eklund, RDH, MHP

Ms. Eklund is the Director of Occupational Health and Safety at The Forsyth Institute. She is an adjunct faculty member at Regis College, Dental Hygiene Program. Ms. Eklund serves as faculty for the New England AIDS Education and Training Center and HIVdent.org. She was the 2017-2019 Chair of the Organization for Safety Asepsis and Prevention (OSAP) Board of Directors. She currently serves on the ADHA Task Force on COVID-19 Interim Guidance on Returning to Work and is a consultant to the ADA Council on Dental Practice. Ms. Eklund has published papers and contributed to several texts on infection control and safety and is an author of the *CDC Guidelines for Infection Control in Dental Health-Care Settings- 2003*.

Disclosures: No relevant financial relationships to disclose

Renee Joskow, DDS, MPH, FAGD, FACD, FICD

Dr. Joskow is a dentist and medical epidemiologist and a captain in the United States Public Health Service. She currently serves as the Chief Dental Officer for the Health Resources and Services Administration (HRSA).

Disclosures: No relevant financial relationships to disclose
