April 19, 2019 (ATLANTA) — The Organization for Safety, Asepsis and Prevention (OSAP) announces Benco Dental as their newest Super Sponsor. This new sponsorship will assist OSAP in continuing its mission of being the world's leading provider of education that supports safe dental visits.

"Benco Dental is committed to driving dentistry forward through innovation, and the most important underlying fundamental during every visit is the safe, infection-free delivery of care," said Julie Radzynski, director of professional relations for Benco Dental.

"As the array of available tools and complexity of treatment continues to evolve, it is vital that all practitioners are armed with the most effective strategies and proven best practices for protecting patients and themselves. That's why Benco Dental is proud to partner with OSAP in their relentless efforts to educate by providing exceptional resources."

OSAP is proud of its super sponsors that generously contribute to The Safest Dental Visit™. OSAP's other super sponsors include:

- Air Techniques
- Coltene
- Crosstex International
- Darby Dental Supply
- Dentsply Sirona
- Henry Schein Dental
- Hu-Friedy
- Kerr TotalCare

- Midmark Corporation
- Patterson Dental
- SciCan
- Tuttnauer USA

About Benco Dental

Benco Dental, headquartered in Northeastern Pennsylvania, is the largest family-owned dental distributor in the United States, offering a full array of supplies, equipment, and services to dentists across the nation. Founded in 1930 by Benjamin Cohen, the company has remained family-owned and focused on its unique mission to “deliver success, smile after smile.” Within the past 88 years, the company has grown from a single downtown location to a national network that includes five distribution centers, and three design showrooms. Those design showrooms, one at the company’s Pa. headquarters, one in Southern California, and one in Texas, feature North America’s largest selection of dental equipment and technology, as well as a hands-on dental design experience, to assist dentists in the planning and construction of a new office. Benco, which has been named one of Fortune Best Workplaces in Health Care and Biopharma for the past three years, one of the NAFE Top Companies for Executive Women for the second consecutive year, and Pennsylvania’s Best Places to Work® for 12 of the past 14 years, is proud to feature a highly skilled team of more than 400 professionally trained sales representatives and over 300 factory-trained service technicians. About OSAP

The Organization for Safety, Asepsis and Prevention (OSAP) is the only dental membership association solely focused on infection prevention and patient safety education. Our members include individual clinicians, group practices, educators, researchers, consultants, trainers, compliance directors, policymakers, and industry representatives who advocate for safe and infection-free delivery of oral healthcare. OSAP focuses on strategies to improve compliance with safe practices and on building a strong network of recognized infection control experts. OSAP offers an extensive online collection of resources, publications, FAQs, checklists, and toolkits that help dental professionals deliver the Safest Dental Visit for their patients. Plus, online and live courses help advance the level of knowledge and skill for every member of the dental team. For additional information, visit osap.org.
