February 27, 2019 (ATLANTA) — The Organization for Safety, Asepsis and Prevention (OSAP) announces Darby Dental Supply as their newest Super Sponsor. This new sponsorship will assist OSAP in continuing its mission of being the world's leading provider of education that supports safe dental visits.

OSAP Chief Engagement & Development Officer, Andy Whitehead, states, "As one of the leading distributors in the dental industry, Darby Dental has both recognized and embraced the importance of assuring all patients experience a safe dental visit. The importance of and attention to infection prevention and compliance in the dental setting has never been more relevant than it is today."

OSAP is proud of its super sponsors that generously contribute to The Safest Dental Visit™. OSAP's other super sponsors include:

- Air Techniques
- Coltene
- Crosstex International
- Dentsply Sirona
- Henry Schein Dental
- Hu-Friedy
- Kerr TotalCare
- Midmark Corporation
- Patterson Dental
- SciCan
- Tuttnauer USA

Darby's Director of Vendor Relations, Gary Mahr, states, "At Darby, we believe our representatives and our customers deserve to be educated in infection control best practices so that together, they can achieve the highest standard of care and safety. There is simply no organization in the world better suited to helping us achieve this goal than OSAP."

About Darby Dental Supply

Darby Dental Supply, LLC, is one of the largest dental distributors in the United States, shipping over one million orders each year. Headquartered in Jericho, NY, the company was founded in 1948 and has seven sales offices and three fully-automated distribution centers strategically positioned across the country. With over 45,000 products in stock, Darby services the general practitioner as well as numerous specialties. In addition to Darby's supply vertical, the company also hosts a technology services division (Darby TechForce®), a capital equipment division, a surgical division, equipment repair services (through an exclusive partnership with Dental Fix Rx), and a full line of private label products. About OSAP

The Organization for Safety, Asepsis and Prevention (OSAP) is the only dental membership association solely focused on infection prevention and patient safety education. Our members include individual clinicians, group practices, educators, researchers, consultants, trainers, compliance directors, policymakers, and industry representatives who advocate for safe and infection-free delivery of oral healthcare. OSAP focuses on strategies to improve compliance with safe practices and on building a strong network of recognized infection control experts. OSAP offers an extensive online collection of resources, publications, FAQs, checklists, and toolkits that help dental professionals deliver the Safest Dental Visit for their patients. Plus, online and live courses help advance the level of knowledge and skill for every member of the dental team. For additional information, visit osap.org.
