Do you have a sample Respiratory Protection Program sample for the dental office?

The NIOSH *Hospital Respiratory Protection Program Toolkit* provides information to help set-up a respiratory protection program in a heath care setting. A template is also included for the program. This publication can be accessed at:
https://www.cdc.gov/niosh/docs/2015-117/default.html [1]

Additionally, NIOSH provides *Healthcare Respiratory Protection Resources* which can be accessed at: https://www.cdc.gov/niosh/npptl/hospresptoolkit/default.html [2]

You may also find the *ADA - OSAP Webinar on Respiratory Protection* in the Era of COVID-19 to be of interest. It can be accessed at:
